## MAKE YOUR CHOICE!

**RAIF  
BADAWI**

Saudi Arabia

➤ As a blogger, he advocated for social and political reforms and greater freedom in his country. He was sentenced to 10 years in prison and 1000 lashes and has been imprisoned since 17 June 2012.

*"As soon as a thinker starts to reveal his ideas, you will find hundreds of fatwas that accused him of being an infidel just because he had the courage to discuss some sacred topics."*

**LU  
GUANG**

China

➤ This photojournalist speaks out against the environmental and social damage caused by the development of factories in China. His relatives were informed of his arrest by the Chinese authorities in December 2018.

*"I am convinced that I am on the right side of humanity, faced with industrial manufacturers who want to continue cheating with impunity."*

**GRETA  
THUNBERG**

Sweden

➤ Since the record temperatures and fires of summer 2018, the high-school student protests every Friday in Stockholm to urge world leaders to act for "climate justice".

*"I care about climate justice and the living planet. Our civilization is being sacrificed for the opportunity of a very small number of people to continue making enormous amounts of money."*
